

SCOOP

September 2023

Message from the **PRESIDENT & PATRON**

Dear Readers,

I hope that the new edition of our monthly e - newsletter is already in your hands, every month the management of TIP tries to bring in something new for our leaders, now the elections are being held to select the new TISF (Textile Institute Student Forum) for the current year, i.e. 2023 -2024, the student body is responsible to conduct sports Galas, annual dinner, freshmen welcome and

Bonfire in winters at the campus and usually there is a movie night out for our students, both day scholars as well as for those who reside in the hostels.

Please take time out to participate in these activities, a healthy mind is considered to be the most productive mind too, we have ample space at the main campus, we even have an amphitheatre which surely can cater needs of those artists and performers, who are willing to stretch the limits of their talents and are ready to take on any challenge for that matter.

The campus is on a wide sprawling area of almost 54 acres, and provides an ideal place to conduct any outdoor activity as long as it is healthy and purposeful.

For FDM and AMM students field visits would commence soon, so please make the most of it, all our programs are specifically tailormade, and have lots of fun and learning activities in them, the main aim is to introduce our students to the practical world so they embark on their academic journey with the Institute.

Meanwhile Happy Reading!

Humayun Zafar, President

Message from the **EDITOR IN CHIEF**

Greetings Esteemed Readers,

As the pages of our latest monthly e-newsletter grace your screens, it is my pleasure to welcome you to a plethora of insights and updates. Each month, our dedicated team at TIP strives to present something novel and engaging for our readers. Currently, the buzz on campus revolves around the ongoing elections to choose the new leaders for the Textile Institute Student Forum (TISF) for the academic year 2023-2024. This student body plays a pivotal role in organizing various events such as sports galas, annual dinners, freshmen welcomes, winter bonfires, and even movie nights—a vibrant spectrum catering to both day scholars and our hostel residents. I invite you to actively participate in these events, for a healthy mind is widely regarded as the most productive.

Additionally, the sprawling campus provides an ideal setting for numerous outdoor activities that align with both wellness and purpose. For our students in the Fashion Design & Marketing (FDM) and Apparel Manufacturing & Merchandising (AMM) programs, exciting field visits are on the horizon. I encourage you to seize these opportunities and extract the maximum value from them. Our programs are meticulously curated, incorporating an array of enjoyable learning activities. The primary objective is to swiftly immerse our students in the practical world, aligning with the essence of their academic journey at the Institute.

DISCOVER TIP PROGRAMS

Textile Design Technology Program

The Textile Design Technology program at the Textile Institute of Pakistan offers a comprehensive curriculum integrating technical knowledge and design thinking in textiles. Students can choose from four majors: Print, Weave, Knit, and Design Intervention. The program emphasizes creative problem-solving, critical thinking, and an entrepreneurial outlook, preparing students for careers as textile or product designers in the fashion or home textile sectors, or even within the denim industry. Graduates may join industry giants like Gul Ahmed or Al-Karam, or embark on entrepreneurial ventures, contributing to both established enterprises and emerging startups within the Pakistani economy. Through hands-on experiences, internships, and collaborative projects, students gain the skills and confidence necessary to succeed in this exciting field.

Ms. Shaheen Khan

Program Coordinator TDT

Textile Science Program

Textile Science program focuses on advanced-level courses covering textile chemistry, polymer and fiber science, fabric development, textile wet processing, apparel manufacturing, and fundamental management and marketing courses. Graduates have a solid foundation and the ability to apply their knowledge to solve textile material-related problems involving both chemical and physical principles. The program emphasizes conception, design, construction, and efficient production of textiles or related chemicals, providing graduates with valuable expertise for the industry.

Ms. Sidra Safdar Durrani

Program Coordinator TS

Textile Management and Marketing Program

The Textile Management and Marketing Program at the Textile Institute of Pakistan is a beacon of academic excellence. It melds fundamental business acumen with specialized knowledge in textiles, fibers, merchandising, and retail, providing students with a unique advantage in the competitive job market and equipping them for entrepreneurial ventures. The TMM Program is crafted to nurture creative, result-oriented professionals endowed with profound insights to serve the ever-evolving global economy. This distinctive program offers comprehensive learning about textile processes, materials, and equipment, setting it apart from general BBA Programs. Our distinguished faculty, comprising highly professional and foreign-qualified experts, along with research-oriented, successful alumni, showcases the program's commitment to fostering excellence.

Dr. Muhammad Asif Khan
Program Coordinator TMM

Industrial Manufacturing and Management Program

At the Textile Institute of Pakistan, we pioneer the offering of a specialized program in Industrial Manufacturing and Management, setting us apart from other educational institutions that typically focus on either Management Sciences or Manufacturing Technologies exclusively. Our unique degree program comprehensively covers both aspects, blending Management Sciences with Manufacturing Technologies. This program equips graduates with technical skills, knowledge, and hands-on experience supported by a strong management foundation. Core components encompass Industrial Manufacturing and Management Concepts, Production and Operations Management, Manufacturing Supervision, Maintenance Management, and more. Graduates are prepared for roles such as Compliance Manager, Inspection Manager, Quality Manager, and Manufacturing Manager, enhancing their career opportunities in the manufacturing sector.

Mr. Shakeel Paracha
Program Coordinator IMM

Apparel Manufacturing and Merchandizing Program

Step into the dynamic realm of Apparel Manufacturing and Merchandising, where tradition meets innovation and creativity intertwines with technology. As the Program Coordinator, I'm delighted to introduce you to a program designed to deepen your understanding of the apparel industry while equipping you with the skills to thrive in both the Pakistani and global markets. Our program offers a blend of theory and practical experience, aligning with the evolving needs of the industry. Graduates have a spectrum of career opportunities, including Production Managers, Merchandisers, Fashion Buyers, Entrepreneurs, Export Managers, and Consultants. Whether pursuing a traditional job or entrepreneurial venture, our program provides the necessary tools and expertise, supported by mentorship and industry networks, for a fulfilling career or successful fashion enterprise.

Mr. Arsalan Alam

Program Coordinator AMM

TIP STAFF PICNIC

31st August 2023

The Textile Institute of Pakistan orchestrated a memorable staff picnic on the 31st of August at the picturesque Miani Beach. The day began with an infectious sense of enthusiasm as TIP employees assembled early in the morning, looking forward to a day of camaraderie and relaxation amidst the beauty of the beach.

Activities for the day were thoughtfully planned to cater to a range of preferences. Beach games provided an exhilarating experience, creating a competitive yet enjoyable atmosphere. In contrast, leisurely beach walks allowed participants to soak in the peaceful ambiance and the rhythmic melody of the waves. Complementing these activities was an array of delectable treats and refreshing beverages, adding to the picnic's festive vibe.

However, beyond the array of activities and culinary delights, the true essence of the day lay in the connections forged among the TIP staff. The picnic acted as a catalyst for staff members to interact in a more relaxed setting, strengthening bonds and building a stronger sense of unity among the team. We express our heartfelt appreciation to the organizing committee for their meticulous planning and execution, ensuring that the event was a day to be remembered.

MAJESTIC MOMENTS AT MIANI BEACH

ORIENTATION DAY

11th September 2023

On September 11th, 2023, the Textile Institute of Pakistan kicked off the academic year with an exhilarating Orientation Day. Incoming students and their parents were welcomed to the campus, offering them a glimpse into their educational journey. The day was packed with essential program insights, faculty introductions, and campus tours, setting the stage for a year of growth and learning.

During the Orientation Day, we provided a comprehensive overview of life at TIP. From academic excellence to transportation options, we ensured that students and parents were acquainted with the support systems available. This event was a crucial stepping stone, instilling confidence and enthusiasm in our new students as they began their academic endeavors.

As the Orientation Day concluded, we eagerly anticipated the achievements of our new students. With a dynamic educational environment and dedicated faculty, we are confident that the Class of 2023-2024 is on the path to a year of growth, learning, and lasting memories.

BUILDING FUTURES AT TIP

GAMERS ARENA

27th September 2023 - 28th September 2023

The Textile Institute of Pakistan was abuzz with excitement during the adrenaline-packed Mountain Dew Gamers Arena on Wheels event! On the 27th and 28th of September 2023, gaming enthusiasts flocked to our campus for an unforgettable gaming extravaganza. The iconic branded bus stationed at our campus became the epicenter for registration and participation in the ultimate gaming competition, featuring popular titles like PUBG Mobile, Tekken 7, Dota 2, and Free Fire.

Gaming aficionados united to partake in this high-energy event, transforming the campus into a battleground for intense battles and strategic gaming. With games like PUBG Mobile, Tekken 7, Dota 2, and Free Fire in the spotlight, participants showcased their gaming prowess, battling it out for victory. The Mountain Dew Gamers Arena on Wheels event at TIP provided an opportunity for gamers to unite, compete, and immerse themselves in the thrilling world of esports, elevating the gaming experience for all.

The event was a testament to the growing gaming community at TIP, with students and gaming enthusiasts demonstrating their skills and passion for esports. Mountain Dew Gamers Arena on Wheels created an electric atmosphere, fostering camaraderie and healthy competition. With the branded bus as the hub of activity, participants engaged in fierce battles and showcased their strategic gaming abilities. Mountain Dew, synonymous with gaming fervor, further amplified the gaming spirit, promising an unforgettable adventure for all who were part of this sensational event.

GAMING REALM

EID MILAD UN NABI

29th September 2023

١٢ ربيع الأول

On the 29th of September 2023, Muslims around the world celebrated Eid Milad un Nabi, commemorating the birth of Prophet Muhammad (peace be upon him). This joyous occasion is marked with special prayers, gatherings, and events to honor the life, teachings, and contributions of the Prophet. It serves as a reminder of the values he advocated for: compassion, peace, and unity. During this day, believers reflect on the profound wisdom he shared, aiming to embody his virtues in their daily lives and contribute positively to their communities.

STUDENT COUNCIL ELECTIONS

9th October 2023

Get ready for a democratic wave at the Textile Institute of Pakistan! The Student Council Elections for the academic year 2023-24 are set to take place on 9th October 2023. This is your chance to actively participate and cast your vote to elect representatives who will advocate for your interests. It's an opportunity to choose leaders who will shape the future of our campus community and contribute to enhancing the overall student experience. Make sure to mark the date on your calendar and engage in this vital process, because your voice matters!
