No.QEC/TIP/KCHI/:24

Dated: 30.05.2022

**Subject:** Implementation Plan & Actions Taken for BS-IMM Program based on findings & recommendations by the AT members 27.05.2022

AT findings for IMM	Implementation Plan	Action Taken	Evidence
1. Program Outcomes can only be measured through the employers, alumni and students feedbacks.	SAR has been returned to PTM and requested for re-writing the program outcomes in the light of Alumni & Students feedbacks.	Program outcomes have been reviewed in the light of Alumni & Students feedbacks.	SAR
2. Laboratory manuals were not available for the practical. It can be developed.	The lab technicians have been strictly suggested to keep lab manuals, instead of keeping in drawers, put over prominent place.	Lab manual including protocol for using equipments and SOP for use of lab have been placed on proper places.	Director QEC personally verified.
3. Simulation & other software's may be procured to support the theoretical teaching.	The authority knows its importance.	Simulation and other software's are in future planning of the authority.	During group meeting, the suggestion has been discussed.
4. Dedicated fulltime faculty related to IMM may be hired who may provide continuous support and quality in programs.	The Chancellor & the president are suggested it in meetings.	The authority is planning to advertise soon on priority basis.	Authority has been informed through executive summary
5. Faculty trainings related to the field may be arranged. <b>Director</b>	The authority has been communicated to take action.	The authority has planned in future field related activities in programs.	---do---
