Subject: Implementation Plan & Actions Taken for B.S. Textile Design Technology (TDT) Program based on findings & recommendations by the AT members 23.05.2022

AT findings for TMM	Implementation Plan	Action Taken	Evidence
1. Revise the credit hours offered taking in account the contact hours needed as per the course.	The coordinator has to work out on it.	The coordinator has been advised to take this issue in coming BoS meeting.	Letter
2. Thesis display area needs maintenance and must be made available for the display of practical work.	The coordinator has been advised to find out a suitable area display of practical work.	An areas, with consensus if all stakeholders, has been allocated for the display of practical work	Letter
3. Photocopy / digital printing facilities must be made near the department to facilitate the students for working in the design studios.	Photocopy / digital printing facilities are quite better arranged. Keeping the same requirements for other departments, the facilities are centralized to ease all users.	Keeping the same requirements for other departments, the facilities are centralized to ease all users.	---
4. Dedicated fulltime faculty related to TDT may be hired who may provide continuous support and quality in programs.	The competent authority has been very serious to find out fulltime faculty related to the subject.	The President & Dean are communicated this genuine issue.	Letter
5. Faculty trainings related to the field may be arranged.	In coming semester, field trips have been planned to visit related departments.	The Coordinator has been suggested to take action and plan in future as mandatory.	Letter
